The Capital Area Classic staff and volunteers will always error on the side of caution when it comes to inclement weather. The referees have also been instructed to error on the side of caution. If lightning is seen or thunder is heard, matches will be delayed for a minimum of 30 minutes. Players, team officials, parents and fans must seek shelter – however, NO ONE should leave the facility. The tournament staff and volunteers will consult with the referees and local weather sources to determine the next course of action.

It is important that you complete the emergency contact information form so the tournament staff can get in contact with you in the case of inclement weather and/or schedule changes.
